All groups have made excellent progress with the brand new RLSS awards. The content is challenging but everyone will achieve their awards ahead of our July Awards night. Parents be on the lookout for an email from Gemma to arrange payment for the award your child has achieved.

Notices

We recently emailed all parents with a link to our online membership form. Many thanks to everyone that has already completed the form. If you are yet to complete the form please click the link below or scan the QR code to access the form. By completing the form it ensures we have yours and your child's correct details.

[Life Saving Membership and Permissions 2024 \(office.com\)](#)

We have noticed a number of our younger members leave the Meres unaccompanied by an adult. We have a duty of care to all our members, however we cannot ensure their safety once they leave the building. We appreciate that parents may not have time to be poolside every week, however we would politely recommend that you collect your child from the building rather than allowing them to make their way through the car park unaccompanied.

Parents/Guardians

Please remind your children to keep wet feet on poolside and not come up the stairs to the seating area. This can cause slip hazards and is a Leisure SK requirement.

Parents/Guardians

Our club needs you! All of our trainers and committee members are volunteers. We always need new volunteers, if you feel you can help support our club please speak to a member of the team. You don't need any specific skills. We would be delighted to hear from you!

GLSC Hoodies

Hoodies are still available to order. Also, a small number of t shirts. Please speak to Sally for further details.
